EXPERIENCE

Producer, Digital – CBC Kids

Toronto, Ont.

May 2017 – present

Discoverability, Outreach and Engagement

- Lead social producer for CBC Kids Instagram and YouTube accounts
- Assist in managing and reviewing work of APs for both platforms (as well as Facebook)
- Working with the Senior Producer to develop and execute a strategy for our third-party offerings
- Have grown YouTube subscribers to 335K+; WTH 24/25 monthly avg. of 121K+ a YOY difference of 116%
- Duties include: pitching, producing, shooting, editing, packaging, scheduling, creating and editing copy, managing stats, directing in-studio, on-location and on Unity, giving feedback on all content
- Produced, co-wrote, co-led and created content for big-production Facebook Lives such as Halloween Spooktacular, Kindie Grad 2020 and Kindie Grad 2021 (which I also directed)
- Won a Canadian Screen Award for Best Live Production, Social Media in 2021 for Kindie Grad 2020
- Assisted Production Exec Swin Chang in production of live-action series *Bestest Day Ever*

CBC Kids and CBC Parents websites

- Pitched, produced and created written and video content, and worked with/edited contributors for both sites
- Created partnership with ByBlacks.ca to help diversify CBC Parents contributor pool
- Produced, directed, managed props and oversaw editing for 17 craft and snack videos shot over two days
- Produced, wrote, directed, edited 10 CBCKids.ca gameplay videos to create Mr. Orlando's Gaming Station

Associate Producer, Digital – CBC Kids

Toronto, Ont.

August 2016 – May 2017

- Produced, directed, edited YouTube and social videos shot in-studio and on-location at outreach events
- For CBC Kids rebrand, created, led, directed and produced hosts' and puppets' weekly vlogs; our top video at the time garnered over 14K views
- Aided with digital launch of *Snapshots*, managed legal, copy and implementation of associated contest
- Created content for CBC Kids and CBC Parents sites and managed contributors

Associate Producer, Digital – CBC Talk Radio Digital, *The Current*, *q*

Toronto, Ont.

February – August 2016

- Maintained CBC Radio One's web, app and social presence, backfilled producers on almost every show
- Mainly backfilled *The Current*'s and *q*'s digital producers where I wrote daily articles, edited audio, created graphics and managed social media, email and archiving
- At *q*, pre-empted the schedule as well as social and web presence when Prince passed away
- At *The Current*, produced post for piece on media sexism at Rio 2016 to over 20K UVs in first few days
- At Radio One, pre-empted schedule and created posts for the live, national Fort McMurray fire call-in show
